For security purposes, the Colorado Department of Revenue does everything it can to keep taxpayer information confidential. These precautions are necessary to ensure against potential identity theft. The Tax Files Office cannot accept requests for copies by fax because original signatures of both the requester and the notary are required for security purposes.
Mail the completed form to:

2. The Colorado Department of Revenue retains copies of tax returns for nine years plus the first six months of the calendar year. For example, a 2012 document is available until June 30, 2022. This copy retention schedule is established by the Colorado Attorney General, the State Archivist and the State Auditor. If you have questions, you may call the Tax Files Office at (303) 866-5407 or (303) 866-3329.
3. Be specific when entering the tax period of the return(s). For example, if you want copies of your returns for the tax years 2005 through 2010, enter January 2005 in the Beginning column and December 2010 in the Ending column. Do not complete a separate form for each year you are requesting.
4. To request a copy of a return(s) for another taxpayer, a written authorization (a Power of Attorney or, if applicable, a copy of a death certificate) will be required before we can release the information. The individual's signature on the front of this form is also acceptable.
