

## Gross Vehicle Weight Declaration

### C.R.S 42-3-304(14)(a), 42-3-306(9)(d), (f), (g), and (h), 42-3-306(12)(a)

This form is for the purpose of the declaration of Gross Vehicle Weight (GVW) for Special Mobile Machinery (SMM), Truck, Tractor, or Truck Tractor with an empty or combined weight in excess of 16,000 lbs. Proof of Heavy Vehicle Use Tax (HVUT) payment or exemption is required for vehicles with a GVW of 55,000 lbs. or greater unless the vehicle was purchased within 60 days of the date of registration.

This form shall also be used for the purpose of declaring the carrier type and total miles traveled for the previous twelve (12) months. This will be required for vehicles registered with Gross Vehicle Weight (GVW/TVW) license plates and Special Mobile Machinery that will be operated over the public Highways more than 2,500 miles.

If this form is being completed during the initial registration of the vehicle, total miles traveled should default to 10,000 miles unless

- A currently registered vehicle is being replaced.
- When an established business with GVW truck(s) is being sold and the new owner will be operating the business and vehicles in the same manner as the previous owner.
- When a company or individual purchases an additional GVW truck and all other GVW trucks qualify under the 10,000 Mile Fee Category.
